- (a) allot equity securities (as defined in section 560 of the Act) of the Company for cash pursuant to the authorisation conferred by paragraph (a) of that resolution 17; and

Explanatory notes to the resolutions

These notes explain the proposed resolutions.

Resolutions 1 to 18 (inclusive) are proposed as ordinary resolutions which means that for each of those resolutions to be passed, more than half the votes must be cast in favour of the resolution. Resolutions 19 to 22 (inclusive) are proposed as special resolutions which means that for each of those resolutions to be passed, at least 75% of the votes cast must be in favour of the resolution.

The Board unanimously recommends that you vote in favour of resolutions 1 to 22 inclusive.

ORDINARY RESOLUTIONS

Resolution 1 – Annual Report and Accounts

The Directors are required to present to the AGM the Company's audited accounts and the reports of the Directors and the auditor of the Company for the year ended 31 December 2016 (the '2016 Annual Report'). The full 2016 Annual Report may be accessed on the Company's website (www.nationalexpressgroup.com/ar2016) or, alternatively, a copy may be obtained by writing to the Company Secretary at National Express Group PLC, National Express House, Birmingham Coach Station, Mill Lane, Digbeth, Birmingham B5 6DD.

Resolutions 2 Directors' Remuneration Report

Resolution 2 seeks shareholder approval for the Annual Report on Remuneration, which forms part of the Directors' Remuneration Report and which can be found on pages 90 to 105 of the 2016 Annual Report. In accordance with section 439 of the Act, this is an advisory vote only.

Resolution 3 – Final dividend

The Directors recommend a final dividend of 8.41 pence per ordinary share for the financial year ended 31 December 2016. The final dividend cannot exceed the amount recommended by the Directors. If approved by shareholders, the final dividend will be paid on 19 May 2017 to all shareholders on the register of members as at the close of business on 28 April 2017.

Resolutions 4 to 14 – Re-election of Directors

In accordance with the UK Corporate Governance Code, all the Directors will retire at the 2017 AGM and offer themselves for re-election.

Biographies of each Director proposed to be re-elected are set out on pages 8 to 10 and on the Company's website at www.nationalexpressgroup.com. The Board considers annually the performance of all the Directors. Following this review the Board believes the performance of all the Directors standing for re-election continues to be effective and that they demonstrate commitment to their roles. The Board therefore recommends each Director for re-election.

Resolutions 15 and 16 – Re-appointment and remuneration of the auditor

Shareholders are required to re-appoint the auditor at each general meeting at which audited accounts are presented to shareholders. Resolution 15 proposes the re-appointment of Deloitte LLP as auditor of the Company until the conclusion of the Company's next general meeting at which accounts are laid. The Directors are proposing this appointment following a recommendation to that effect by the Audit Committee. It is normal practice for the Directors to be authorised to determine the level of the auditor's remuneration for the ensuing year. Resolution 16 proposes to give such authority to the Directors in respect of the auditor.

Resolution 17 – Authority to allot shares

The Directors of a company may allot shares and rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders.

The same authorities granted at the last AGM are due to expire at this year's AGM. Accordingly, resolution 17 will be proposed as an ordinary resolution to grant new authorities to allot shares and rights to subscribe for, or convert any security into, shares. If given, these authorities will expire at the conclusion of the AGM of the Company in 2018 (or, if earlier, on 30 June 2018).

Paragraph (a) of resolution 17 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £8,528,977.47, representing approximately one third of the Company's existing issued share capital as at 14 March 2017, being the latest practicable date prior to publication of this Notice. In accordance with the latest institutional guidelines issued by the Investment Association (the 'IA'), paragraph (b) of resolution 17 will also allow Directors to allot, including the ordinary shares referred to in paragraph (a) of resolution 19, further ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £17,057,954.93, representing approximately two thirds of the Company's existing issued share capital calculated as at 14 March 2017.

The Directors do not have any current intention to exercise these authorities. However, the Directors consider it appropriate to maintain the flexibility that these authorities provide. It is intended to renew this authority at successive AGMs. The Company does not currently hold any of its shares in treasury. If the Directors do exercise the authority conferred by resolution 17 (b), the Directors intend to follow best practice as regards its use as recommended by the IA.

Resolution 18 – Authority to make political donations

Part 14 of the Act, amongst other things, prohibits the Company and its subsidiaries from making political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Aggregate donations made by the Company and its subsidiaries of £100,000 or less in any 12 month period will not be caught.

It remains the Company's policy not to make any political donations or incur any political expenditure and neither the Company nor any of its subsidiaries has any intention of using the authority for this purpose. However, the Act defines "political party", "political organisation", "political donation" and "political expenditure" very widely and the Company or any of its subsidiaries may incur expenditure such as advertising, sponsorship or attendance at events organised by political parties, or the hiring of stands and exhibition space at national and regional political conferences which may fall within the wide definitions. Accordingly, the Company wishes to ensure that neither it nor any of its subsidiaries inadvertently commits any breaches of the Act and resolution 18 seeks authority for the Company and its subsidiaries to incur such expenditure up to a maximum of £100,000 in aggregate.

SPECIAL RESOLUTIONS

Resolutions 19 and 20 – Disapplication of pre-emption rights

The Directors require additional authority from shareholders to allot equity securities of the Company or sell treasury shares where they propose to do so for cash and otherwise than to existing shareholders pro rata to their holdings. The authority granted at the last AGM is due to expire at this year's AGM.

Accordingly, resolution 19 will be proposed as a special resolution to grant such authority. Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sale of treasury shares for cash up to an aggregate nominal value of £1,279,346.62 which represents approximately 5% of the issued share capital of the Company as at 14 March 2017, being the latest practicable date before publication of this Notice. If given, this authority will expire at the conclusion of the AGM of the Company in 2018 (or, if earlier, on 30 June 2018). The figure of 5% reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles"). The Directors will have due regard to the Statement of Principles in relation to any exercise of this power; in particular they do not intend to allot shares for cash on a non-pre-emptive basis pursuant to this power in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares in any rolling three-year period, without prior consultation with shareholders.

The Directors are, this year, seeking a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Statement of Principles. Accordingly, resolution 20 will be proposed as a special resolution to grant such power. The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £1,279,346.62 (being 5% of the Company's issued ordinary share capital (excluding treasury shares) as at 14 March 2017, the latest practicable date prior to publication of this notice. This is in addition to the 5% referred to in resolution 19). If given, this power will expire at the conclusion of the AGM of the Company in 2018 (or, if earlier, on 30 June 2018). The Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or other capital investment (of a kind contemplated by the Statement of Principles most recently published prior to the date of this notice) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

Resolution 21 – Authority to purchase own shares

The Company may buy its own shares with the authority of shareholders. Resolution 21, which will be proposed as a special resolution, seeks to renew the current authority given at the 2016 AGM of the Company until the conclusion of the AGM in 2018 (or, if earlier, until 30 June 2018). The resolution specifies the maximum number of shares that may be purchased, which represents approximately 10% of the Company's issued share capital, as at 14 March 2017, being the latest practicable date before publication of this Notice. Resolution 21 also specifies the highest and lowest prices at which shares may be purchased by the Company under this authority.

Any shares purchased under this authority will either be treated as cancelled or held as treasury shares. Listed companies, with authorisation from shareholders, may buy and hold their own shares in treasury instead of cancelling them immediately. Shares held as treasury shares can in the future be cancelled, re-sold or used to provide shares for employee share schemes. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares.

For information, as at 14 March 2017, being the latest practicable date before publication of this Notice, there were 703,245 options outstanding over the Company's shares representing approximately 0.137% of the issued share capital of the Company. The same authority given at the 2016 AGM was not used during the year and the Directors have no present intention of exercising the authority conferred by resolution 21. The authority is being sought in order to preserve flexibility and if resolution 21 is approved, this authority will be used only if it is likely to lead to an increase in earnings per share and the Directors are satisfied that this is in the best long-term interests of the shareholders.

Resolution 22 – Notice of general meetings

The Act, as amended by the Companies (Shareholders' Rights) Regulations 2009, requires the Company to give at least 21 clear days' notice for a general meeting of the Company unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs must continue to be held on at least 21 clear days' notice). Resolution 22, which will be proposed as a special resolution, seeks shareholder approval to preserve the ability of the Company to call general meetings, other than annual general meetings, on at least 14 clear days' notice. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting in question and where it is thought to be to the advantage of shareholders as a whole.

The changes to the Act mean that in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

Important Information

Proxies

A shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, to speak and to vote at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or different shares held by them. A proxy need not be a shareholder of the Company.

If shareholders wish to appoint a proxy, they should complete a Form of Proxy (a Form of Proxy is enclosed with this Notice) and send it to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA to be received not later than 2.00pm on 8 May 2017. Shareholders may also appoint a proxy online using the service provided by the Company's Registrars at www.sharevote.co.uk or, if they are a CREST member, by using the electronic proxy service provided by Euroclear (see further details on page 12). The valid appointment of a proxy will not prevent a shareholder from attending and voting at the AGM in person, should they wish to do so.

If a shareholder appoints a proxy (either via the Form of Proxy, online or CREST), the proxy will be entitled to attend, speak and vote on the shareholder's behalf at the AGM and at any adjournment of that meeting. The appointed proxy will use his/her discretion as to how to vote on any resolution which the shareholder has not given specific instructions and on any other business transacted at the meeting.

If you are a shareholder and do not have a proxy form and believe that you should have one, or if you require additional forms, please contact our Registrars, Equiniti, at Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or telephone the shareholder helpline number on 0371 384 2152 for UK callers. The Equiniti overseas shareholder helpline number is +44 121 415 7047. Textel (for the hard of hearing) is also available on 0371 384 2255. Lines are open from 8.30am to 5.30pm Monday to Friday.

Information for participants in the Travel West Midlands Share Incentive Plan

If you are a participant in the Travel West Midlands Share Incentive Plan you may instruct the Trustees to vote the shares held by them on your behalf by lodging your votes online at www.sharevote.co.uk no later than 2.00pm on Friday, 5 May 2017. You will need your voting ID, task ID and SIP reference number shown on the voting instruction card sent to you. Participants are not entitled to attend the AGM or appoint a proxy unless they are a shareholder in their own right.

Voting at the AGM

Votes at the AGM on all matters except for procedural issues will be taken on a poll. Voting by poll at the Meeting will be conducted using an electronic system called Votenow provided by Equiniti, the Company's Registrars, rather than a show of hands. The Directors believe that this produces more democratic results, as all shares represented at the Meeting and those lodged before the Meeting are included in the results of the voting on a one share one vote basis. The results of the voting on each resolution will be made available at the Meeting and published on the Company's website, www.nationalexpressgroup.com.

Right to attend and vote

Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (the 'Regulations'), the Company specifies that in order to have the right to attend and vote at the Meeting (and also for the purpose of determining how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Company at 6.30pm on 8 May 2017 or, in the event of any adjournment, at 6.30pm on the date which is two days before the day of the adjourned Meeting. Changes to entries on the register of members after this time shall be disregarded in determining the right of any person to attend or vote at the Meeting.

Non-shareholders (who are accompanying shareholders) will only be admitted to the AGM at the discretion of the Company.

Documents on display

Copies of the Executive Directors' service contracts and letters of appointment of the Non-Executive Directors will be available for inspection at the registered office of the Company during usual business hours on any weekday (Saturday, Sunday or public holidays excluded) from the date of this Notice until the time of the AGM and will be available for inspection at the AGM for at least 15 minutes prior to the start of the Meeting until its conclusion.

Nominated Persons

A copy of this Notice has been sent for information only to persons who have been nominated by a shareholder (each a 'Nominated Person') to enjoy information rights under section 146 of the Companies Act 2006 (the 'Act'). The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the shareholder. However a Nominated Person may have a right under an agreement between him or her and the shareholder by whom he was nominated to be appointed as a proxy for the AGM or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he or she may have a right under such an agreement to give instructions to the shareholder as to the exercise of voting rights.

Voting by corporate representatives

A shareholder of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Act, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.

Member's right to ask questions

All shareholders and their proxies attending the AGM have the right to ask questions. To be fair to all shareholders who wish to ask a question, you are requested to ask only one question which is relevant to the business of the Meeting. It would be helpful if you could state your name before you ask your question. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered. The Chairman may also nominate a Company representative to answer a specific question after the Meeting or refer the shareholder or proxy to information on the Company's website.

AGM resolutions/business

Under section 338 and section 338A of the Act, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than the date six clear weeks before the meeting, and (in the case of a matter to be included on the business only) must be accompanied by a statement setting out the grounds for the request.

Total number of shares and voting rights

As at 14 March 2017 (being the latest practicable date prior to the publication of this Notice), the Company's issued share capital comprised 511,738,648 ordinary shares of 5 pence. Each ordinary share carries the right to one vote at a general meeting of the Company. Therefore, the total voting rights in the Company at 14 March 2017 are 511,738,648.

Website publication of audit concerns

Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act, (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.

Instructions for electronic appointment through CREST

If you are a CREST member and want to appoint a proxy using the Euroclear electronic proxy appointment service, you can do so using the procedures described in the CREST manual which can be viewed at www.euroclear.com. If you are a CREST personal member, a CREST sponsored member or a CREST member that has appointed a voting service provider you should request the sponsor or voting service provider to take the appropriate action on your behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti Limited (ID RA19) no later than 48 hours before the time at which the Meeting is due to begin.. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which our Registrars will be able to retrieve the message by enquiry to CREST in the manner prescribed in CREST.

After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

Euroclear does not make available special procedures for any particular messages. Normal system timings and limitations therefore apply in relation to the input of CREST proxy instructions. CREST members (or appointee members) are responsible for taking (or arranging for their CREST sponsor or voting service provider to take) any necessary action to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and CREST sponsors or voting service providers are referred to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

National Express Group PLC may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Communication

You may not use any electronic address (within the meaning of section 333(4) of the Act) provided in this Notice (or in any related documents including the Chairman's letter and Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
